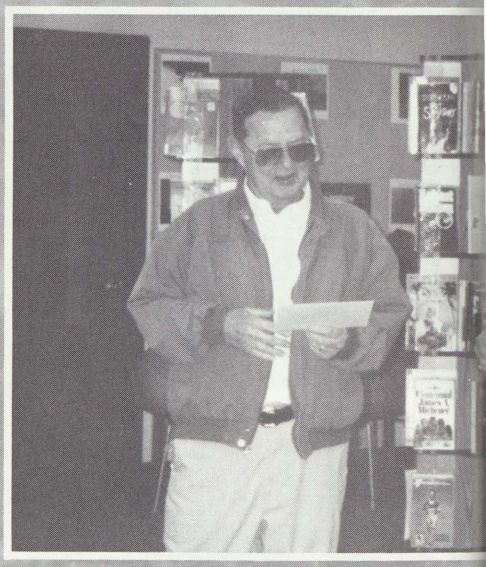
Thanks for all the memories...

Donna Vanest has worked at Freeland High School for over 18 years. She came here in 1977 and worked on the kitchen staff. She left us early in the year and will be greatly missed.



In March, we lost Freeland's long time buildings, maintenance, and transportation supervisor, George Austin. He will be moving on after 17 years of hard work and service to all three buildings. George cherished both his work and his co-workers and will always be remembered.

Mary Aaron joined Freeland's kitchen staff in 1976. During her 19 years of service, she earned the love of all of the students and faculty.
"The kids here are great...I loved working at Freeland High School."

"So many people have worked so had to make this the best yearbook ever at Freeland High School! I hope everyone enjoys some of the changes we've been able to make by doing the book on computer. Countless hours have gone into the production of this yearbook, especially by a few very special people (you know who you are). To those people I owe a big "Thank You" and "Job Well Done." I also want to say thanks to FHS's first ever yearbook class-you contributed so much to the book. I hope that everyone can look at this book with the same amount of Pride that I do. What a Year 1995-1996 has been!!"

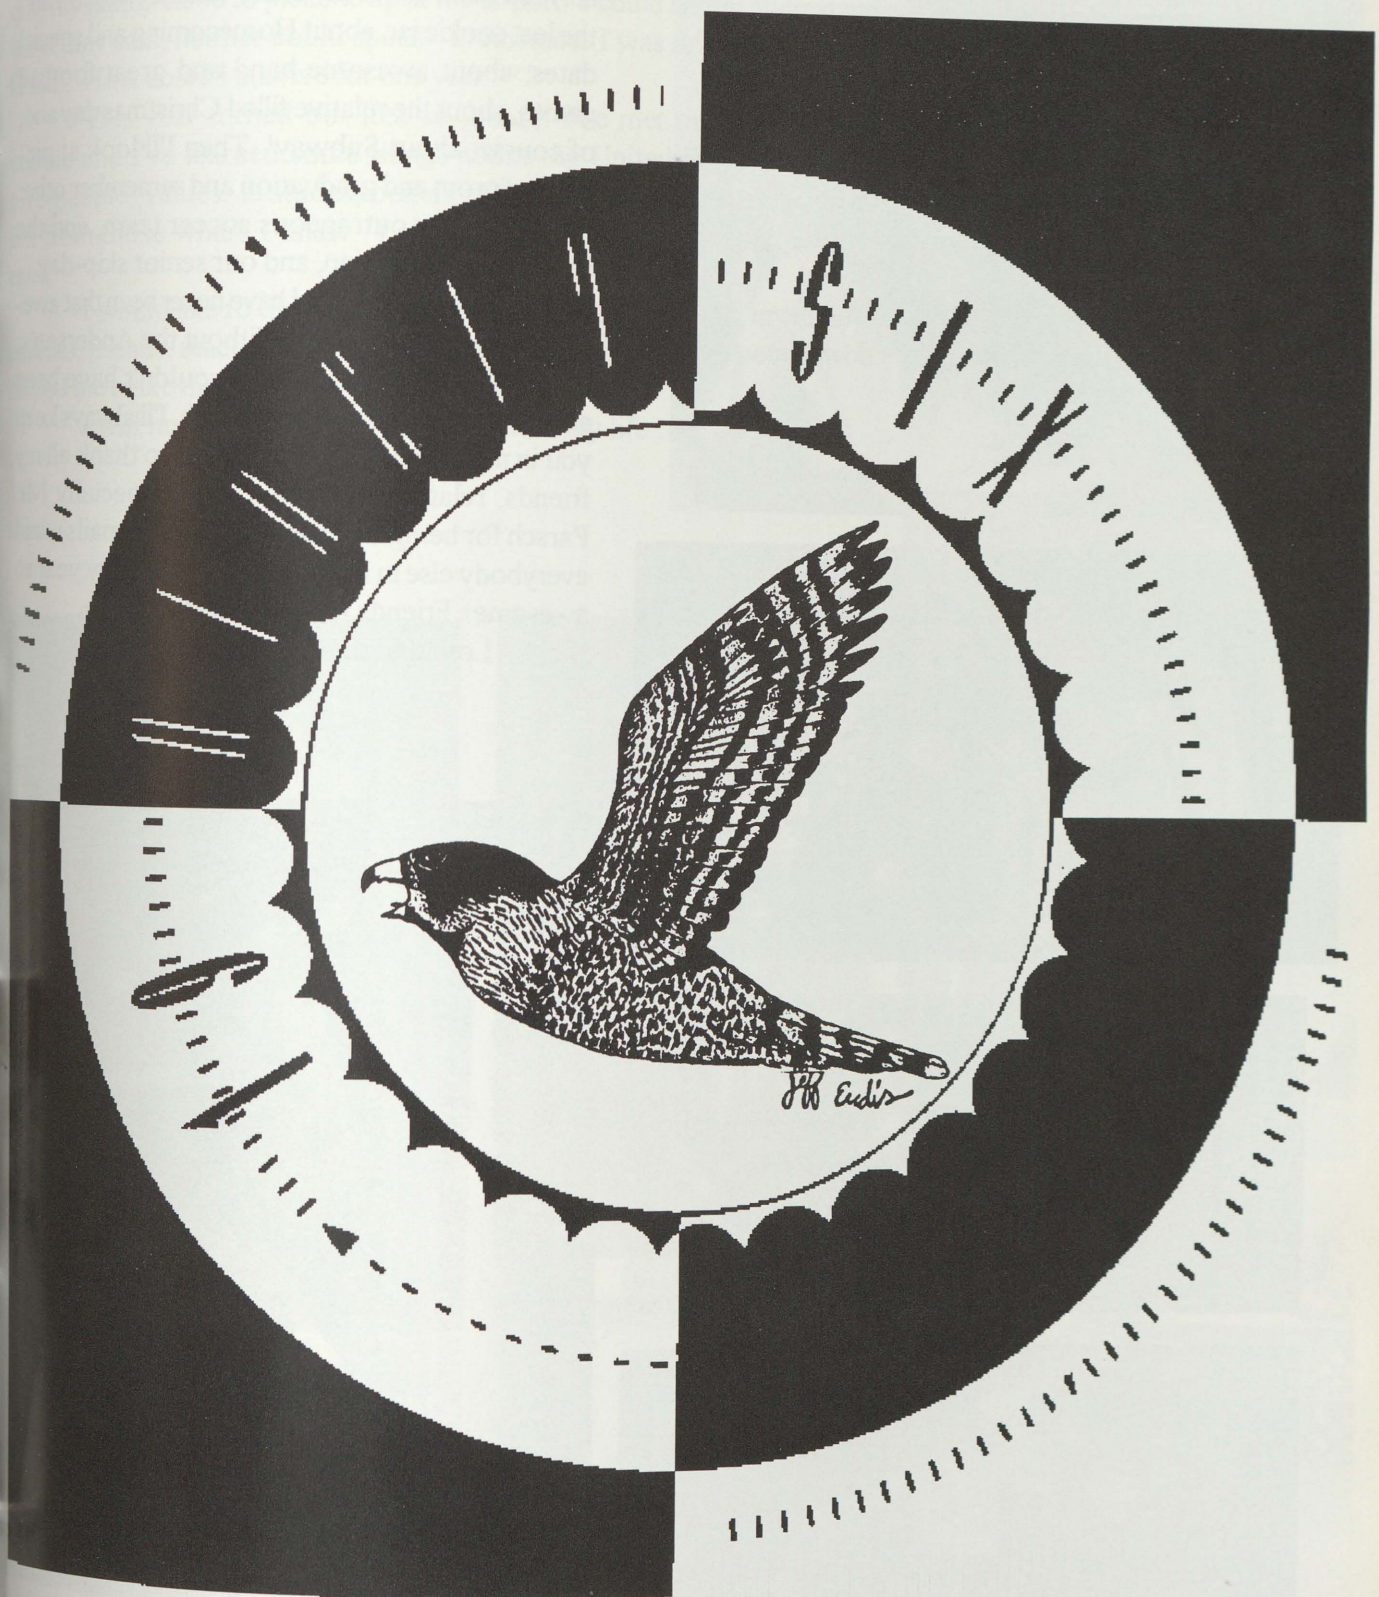
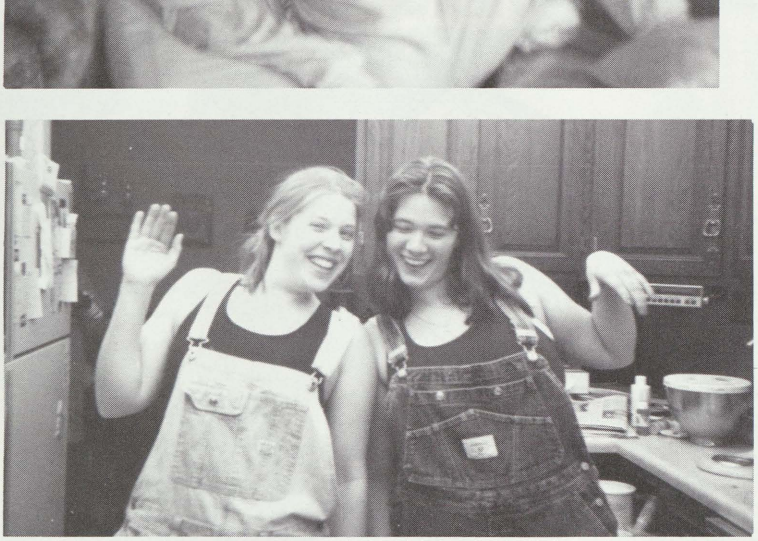
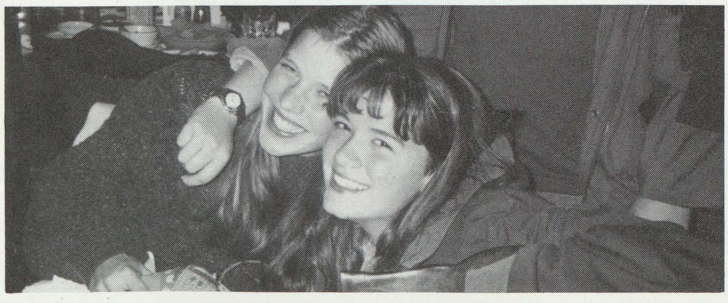
STUDENT LIFE



Kirsten Terfloth
Germany





"My year here at Freeland was wonderful! Later on, when I go back to Germany and people ask me: "What was it like?" I will probably tell them about my cross-country season and the lost cookie jar, about Homecoming and special dates, about awesome band and great football games, about the relative filled Christmas day and, of course, about Subway! Then I'll look at pictures of prom and graduation and remember other things like our outrageous soccer team, and the snow, Easter vacation, and our senior skip-day.

But all that would have never been that awesome without you guys! Without the Anderson's, the Kuk's and the Haley's, I wouldn't have been able to come! Thank you so much, I'll always keep you in my heart! And then I want to thank all my friends, relatives, and teachers (especially Mr. Parsch for being so patient with my e-mails), and everybody else in Freeland who made my year so awesome! Friends forever, Lisa!

Love and the best to all of you!"

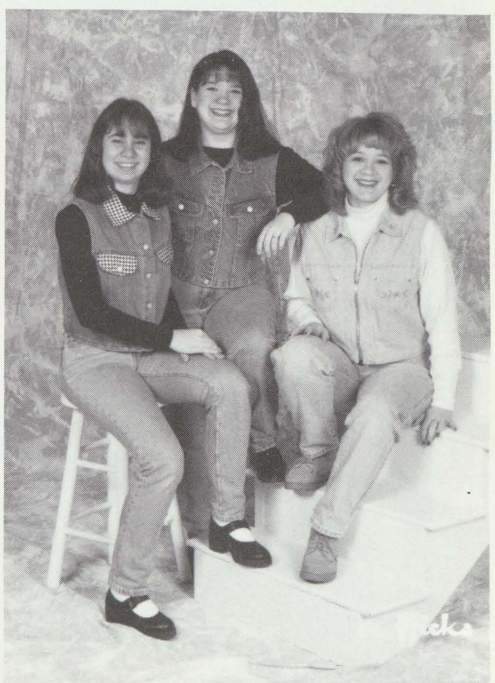
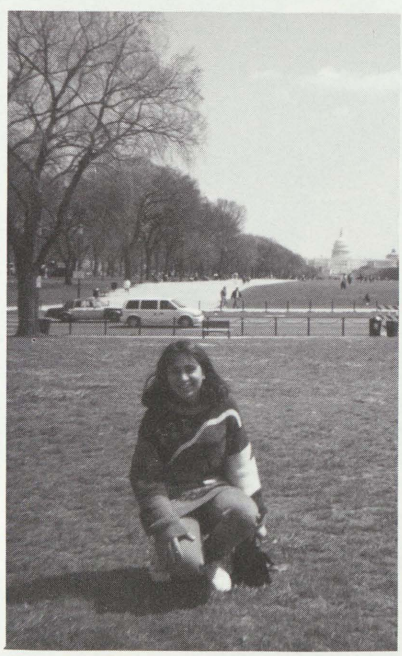
"It's really hard to believe this year is over. It seems just like yesterday, my family came to pick me up at the airport. I could hardly understand what they said, neither could speak. I remember I was thinking "Oh, my Gosh... How could I survive for one year...?"

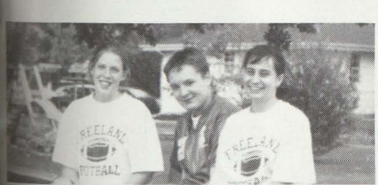
This year turned out just so great... I've met many wonderful people and I've learned some things about the United States. It's culture-people, values, attitudes, beliefs and ideas, which are much different from those which I knew. I enjoyed having this fascinating experience.

I would like to thank my American family, the Vasold's, my natural parents, friends, teachers (especially Senora), and all the other people who helped me make this year wonderful.

I will never forget this special year of my life..."







Jannis Schmeidel

"This year in Freeland has been one of the greatest in my life. It was better than I ever thought it would be. I especially want to thank all of my friends, the soccer team, and the wrestling team. But the most special thanks go to the Haley family, for being my family and the most important part of my life in the U.S. I wish all of you a great life, fun with the remaining years of high school, college, and whatever is to come. Thanks everybody for everything that made this an experience I will never forget."
